### November Programs:

Jeff Elwyn will give a presentation at the November 7 HVSC meeting on "Preventing ACL Injuries" with talk, video and Q & A.

### SkiDUCK...

Our club has collected a substantial amount of ski apparel and equipment this summer and presented to Cheryl Corbett at the September 5 meeting. We will continue having the "Blue Barrel" at our meetings for you to add your no longer needed gloves, mitts, jackets, suits, pants, socks, thermal layers, hats, neck warmers, helmets, boots, poles etc. Periodically we will box up the goods and send them on to SkiDuck.

**SkiDUCK** (SKIing and snowboarding for Disabled and Underprivileged Children and older Kids) is a new, grassroots non-profit organization dedicated to enriching the lives of disabled and underprivileged children by sharing the joys of skiing and snowboarding.

SkiDUCK is committed to partnering with local organizations with similar goals of serving disabled and underprivileged children. And in areas where these needs aren't yet being served, we seek to establish a sustainable model of service with local resources and volunteers. If your community or organization is interested in partnering with SkiDUCK to establish or enhance a program to help children onto the slopes, give us a QUACK!

\* For even more information on Ski Duck, visit the May or June HVSC newsletter (on the [www.HudsonValleySkiClub.org](http://www.HudsonValleySkiClub.org) website, click Newsletters.)

### Holiday Sing-Along

Monday December 10  
at the home of **Claudette Hennessy**.

Sing-Along and party start at 7:30 PM. We have the song books; if you play an appropriate instrument, bring it. Please bring your own beverages and a dish to share. As in years past, Claudette is again asking people to wear Period Dress, if possible.

Directions to Claudette's: From the Mid-Hudson Bridge, go south on Route 9W to Marlboro, turn left on Old Post Road across from the Village Square Mall. From the Newburgh Beacon Bridge, north on Route 9W and right on Old Post Road. Claudette's is the 7th house on the left (#204 with mailboxes on a wagon wheel). If you need more information, call Claudette at 236-7971 [[chennessy@hsysgrp.com](mailto:chennessy@hsysgrp.com)]

### Vintage photos on the website:

I recently received a set of about 150 photos from long-time past member, **Fred Robbins**. Fred went through about 3000 slides he had from the 1970s and 1980s of HVSC trips and events, scanned the 150 and sent them to me.

They are now in an album in the HVSC Photo Gallery. Go to the

 [www.hudsonvalleyskiclub.org](http://www.hudsonvalleyskiclub.org) website home page or gallery page and click the link there. If you know names, dates, or locations that are missing in the captions, please let me know at the e-mail address below.

Note that if you also have vintage photos of HVSC early days, send them to me at [gallery@hudsonvalleyskiclub.org](mailto:gallery@hudsonvalleyskiclub.org), and I'll put them online as well. *Mike*

**From the Editor:**

**Save the club some money and help the environment**

Last month another member asked me if she could opt-out of receiving the snail mail hardcopy of the HVSC newsletter. I advised her that all one has to do is notify the membership chairman, Pete Gray, and he will flag your entry in the membership data base appropriately.

I periodically post this note in this newsletter, but since she asked, I guess it's time to do so again. I have proposed a few suggestions to the board to make this option easier and more beneficial and perhaps in the future those proposals will be implemented.

Since writing the above, I have received the following note from the Vice President:

"This whole newsletter issue was discussed at the September Board meeting, and it was decided to offer this option [to opt-out of receiving the snail mailed hardcopy] on next year's membership application. In the meantime, opt-out can take place as you said, by directly contacting Pete."

Carole Daniels, HVSC Vice President

**Calling All Instructors – Ski/Ride Improvement Days**

With the rapid approach of the ski season, it's not too soon to begin to think about the Ski/Ride Improvement Days. A benefit of membership in the HVSC is that throughout the ski season knowledgeable and experienced member-ski instructors offer lessons to skiers and riders of all levels. However, before that can begin the group of instructors needs to meet and establish their availability for the season. Therefore, if you've served as a ski/snowboard instructor for the club in the past and are able to continue that association this season, please contact **Mark Searle** at [HVSCSkiTeach@Yahoo.com](mailto:HVSCSkiTeach@Yahoo.com) or (845)471-6402. The objective here is to assemble a group of instructors who will be the leaders of the upcoming Ski/Ride Improvement Days.

Your Marketing Committee is looking for a club member to act as our liaison to the local media. The responsibilities would be to place announcements and press releases in local newspapers and radio stations. The majority of work can be done from your home in about an hour a week. The Committee will help set up a program that you could follow. Please contact me at [dockman1@optonline.net](mailto:dockman1@optonline.net) Thank you in advance. **Craig Goldstein**

All you need to do to get in on the hot action for this cool deal is to be sure to buy Lift Ticket Lotto tickets at the next meeting - don't get left out in the cold. When you win and later use a lift ticket from Lift Ticket Lotto, please take a moment to thank the ski area for their support of the HVSC. Ticket prices will be: 1 for \$1, 6 for \$5 & 15 for \$10

Winners for the October 3 meeting: Gore Mt. -- John Macek, Mt. Snow -- Charlie Shanes, Butternut -- Frank Van Zanten

### How to Improve Your Skiing or Riding

There are a few techniques that are proven to enhance one's skiing or riding abilities that many of us have most likely employed at one time or another during our skiing/riding careers. There's the tried and true method of practice. Simply doing it over and over and over again until, hopefully, it becomes second nature. For example, you probably tie your shoes without looking at them simply because you've done it so many times that your fingers have such a high degree of muscle memory. Hopefully, all of that practice allows you to get it right and your skill level improves. If not, then frustration sets in and ultimately one gives up. Not for lack of trying mind you but, simply because it doesn't work or it's not enjoyable. Something is missing. What is a person to do? As far as snow sports are concerned, (you're on your own with regard to tying your shoes) this is where your ski club gets involved. The HVSC can address, in a positive manner, the frustration you feel, the plateau that you seem to have reached and your perceived inability to make the leap from that plateau to a higher level of skiing and riding. Forget that "woe is me" attitude or the belief that you'll always be an intermediate – do something positive. The HVSC has the means to address the dilemma you may be experiencing.

The Ski Improvement Days that will be offered in conjunction with discount lift tickets at several local ski areas and the instruction on some club trips are the first steps to take to enhance your skiing or riding. These days allow members and their guests to take advantage of less expensive skiing and riding opportunities and free lessons from Certified and qualified instructors. Lessons will be available for everyone from first-timers to the upper intermediate who is having difficulty making the transition to being a truly expert skier. Come join us for one of the upcoming Ski Improvement Days and you'll be pleasantly surprised at how much better your skiing and riding will become. You may learn about the highly secretive French technique for ski improvement. Be sure to see the coming newsletter for more information about the ski improvement days and a schedule for the discount lift ticket opportunities.

If you plan to participate in one of the Ski Improvement Days, please contact the club's Instruction Coordinator, **Mark Searle** at (845)471-6402 or [HVSCSkiTeach@yahoo.com](mailto:HVSCSkiTeach@yahoo.com) to ensure that there will be appropriate instructors available for the given event.

**Fall Hiking 2012**

The daily high is expected to be 60 - 65 degrees and the air smells crisp and fresh. As you take that last mouthful of morning brew you tie your boots, grab your pack, remember to lock the door and jump in the car.

A day on the trails in the great outdoors... can life get any better? Well, perhaps some snow... oh wait, we had some last October for Halloween. Yes indeed, the hiking season will soon be upon us and the call for facilitators is now out. Last year a list of hikes was offered but that got changed and then changed again. So, I am back to putting out the dates and I'll make some suggestions. You have the option to pick the hike you want on either the Saturday or Sunday. Thank you in advance for your assistance in delivering a fun-filled season.

Further hikes will be held on the following weekends:

October 20/21, 27/28, November 3/4, 10/11

Suggested hikes: Shaupeneak Ridge, Black Creek, Huckleberry Point, Stony Kill Falls, Duck Pond

- Any of the various hikes at Minnewaska (ie: Beacon Hill Trail, Blueberry Run, Gertrude's Nose, Castle Point, etc.)
- Any of the various hikes at Mohonk Preserve (ie: Rock Rift, Chapel Hill, Stokes (including Mohonk Gardens) Sky Top, etc.)
- Breakneck Ridge, Ashokan High Point, Overlook Mt.,
- Any of the Catskill Mountains or perhaps a section of the Long Path

To choose your date please contact **Ellen Berlin** (Excalibur) at [zeeventure.woman@gmail.com](mailto:zeeventure.woman@gmail.com) or (845) 594-2105
