It's Been a Good Run

Well, after eighteen years as your newsletter editor and webmaster the time has come to turn over the reins to the new editors.

When I look back at the almost forty-five years I've been in the Ski Club and the positions I've held (before being editor, I was Membership Chairman for the 13 years before Pete, Board Member, Rally Master and probably a few others that slip my mind,) newsletter/website editor has been the one I've held the longest, the one that allowed me to provide the greatest contribution to the club and I think the one that allowed me the greatest satisfaction getting the creative juices flowing.

Although the purpose of the club is to promote skiing (and I've participated and been trip leader on my share of ski trips), these other tasks have not only been necessary to the successful conduct of the Club, but also a good deal of fun for me.

As you can see from Craig Goldstein's article "Something Old is New Again" elsewhere in this issue, the board has decided to turn over these responsibilities to the Marketing Committee and a month earlier than previously announced.

So any contributions to future issues of the newsletter and website should be sent to him at the email address he listed in his article.

Shout Out to Retiring Editor Mike Harellick

The Trip Committee would like to thank Mike Harellick for his patience and expertise in announcing all our ski trips over the years. Mike, we apologize for all the times our copy was late and disheveled. We pictured you in the wee hours of the morning scouring the web for logos and artwork to help complete our trip announcements only hours before the newsletter was due at the printer.

Thanks for all your hard work!

Summer Trash Cleanup Scheduled

Dutchess Rail Trail

Saturday August 8, 2015

9:30 AM

Please join us for the next trash cleanup on the Rail Trail... we call it "Trash Talking" as we walk the trail, collect rubbish, and connect with the rest of the gang in friendly chatter.

We meet at the parking lot on Old Manchester Road (the one closest to the bridge over Rt. 55) and depart promptly at 9:30 to walk the 1.5 mile section to Titusville Road. After returning to our cars, we'll head to a local diner for a lively get-together.

Trash bags and rubber gloves will be provided to all participants.

To sign up for this outing contact **Carole Daniels** at 845-635-3949 or carolebdaniels@gmail.com.

Cancellation/Refund Policy for HVSC Ski Trips

1. Minimum cancellation penalty is \$100 for weeklong trips and \$25 for shorter trips.
2. Cancellation requests must be in writing and will take effect the date they are received by the trip leader.
3. Penalties vary from trip to trip. Anyone who cancels from a trip will be assessed penalties as per our contract with the vendor. Whatever the club

loses, the person who cancels will lose plus the \$100 cancellation penalty, however, the penalty will not exceed the total cost of the trip.

4. Refunds will not be issued until after the final accounting of the trip.

THE TRIP COMMITTEE STRONGLY SUGGESTS PARTICIPANTS

PURCHASE TRIP INSURANCE. The price for trip insurance runs approximately 7% of the trip cost. An option to purchase trip insurance "for any reason" may be available. If you are interested in trip insurance please let the trip leader know at the time of sign up.

Online viewer: Printable application/waiver can be found on the website. Click “How to Join” button.

Why does the Application/Waiver Form appear separately?

I try to keep the appearance of the online version of the newsletter the same as the hardcopy version; however, in the case of this particular form pair it is better to separate them.

The hard copy printer actually receives two source files; one the newsletter as you see here, the other is the form pair with which these two pages are replaced.

This way the form pair that you print out on your computer from the “How to Join” page is identical to the one from the hardcopy newsletter. That makes Pete very happy.

Printing the form from the “How to Join” page is also preferable. Since only those two pages are in the file, you needn’t “worry” about which pages to print.

In the future, if this two page fill bothers folk, I could always make a six-page version of the newsletter with these pages elided available.
