

President's message- June 2020

Posted on [June 24, 2020](#) by [Donna Augustine](#)

The events of the past months have left us all in a state of anxiety and confusion. We are facing a world forever changed by the virus, civil unrest, racial injustice, and political nonsense. I hope that the most basic of human instincts prevail and we can emerge from all of this with a better plan for living together as one people one world.

Ski Club business is being taken care of as best we can with all this uncertainty. The 2021 Western ski trip will be announced soon, and the eastern trips planning is still in the works. Board and committee meetings are via video conferencing.

I am pleased to introduce your new Marketing Committee Chair – Alan Imhoff, Alan has taken over from Craig Goldstein. There are not enough words to thank and praise Craig for his many years of service and leadership as the marketing guru. Thank You Craig.

I would also like to thank John Macek for his service on the board, but more importantly for his handling of the many behind the scenes activities. I am looking for volunteers to fill his role as Chair of the Constitution Committee, overseer of the Facebook page and Webmaster, which Donna Augustine has agreed to shoulder part of the work, but it is a more than one person task.

Currently, I am not planning any 'in person' member meetings for the foreseeable future.

My sympathies to Ulana Salewycz, on the passing of her father.

Until we meet again, stay healthy my friends.
