

# Hudson Valley Ski Club

January 29 – February 5, 2022

Off the beaten path, Crested Butte offers spectacular scenery & few crowds, billing itself as Colorado’s last great ski town. Slope elevations from 9,000+’ - 12,000+’, make it one of the highest areas in Colorado. Although known for its challenging expert terrain, 50% of the trails are rated intermediate or advanced.

Packages include: Roundtrip airfare (currently American: Newark to Gunnison via Dallas); round-trip bus service between Highland, NY & Newark and between Gunnison & Crested Butte; 7 nights double occupancy lodging at The Grand Lodge; as well as various lift ticket options.

The Grand Lodge is at the ski resort, only 200 yards from the slopes, and directly across from the Transit Center with free shuttle into historic Crested Butte.

We offer two double-occupancy room options at the Grand Lodge:

**The King Suite** has one king bed in the bedroom area and a double sleeper sofa in the living room area with two televisions and is approximately 442 square feet.

**The Emmons Studio** is equipped with a king size bed and pull-down king size Murphy bed adjacent to the stationary bed. It is approximately 433 square feet.

Both the **King Suite** and **Emmons Studio** offer a kitchenette with microwave, one burner stove, dishwasher, sink, under-counter refrigerator, coffee pot, dishware & utensils, as well as hairdryer, iron, ironing board, in-room safe, voicemail, wireless internet and satellite channels.
