

### Registration Priorities

Trip sign up registration forms (with initial \$ deposit) will be collected at the June 5, 2022 club picnic meeting. Only HVSC members are eligible for registration to be listed as a trip participant during the period June 6–30, 2022. HVSC members who opt to mail in their registration and deposit will be considered as of the day of receipt. Non-HVSC members' registrations (with deposit) can be submitted at the June 5th meeting and thereafter, but will only be placed on the trip list as per the next sentence. Trailsweepers members and guests of HVSC members will be added to a "Wait List" and will be placed on the trip participant list as space is available beginning July 1, 2022.

Our Steamboat trip has room for 30 participants.

Our Snowmass/Aspen trip has room for 24 participants using airline seats provided by our tour contract. Additional Snowmass/Aspen participants can be added for registrants supplying their own transportation.

If at the initial signup meeting, there are more registrations received for a specific trip (over subscription), a lottery will give all club members who sign up on June 5 a chance for a space on the trip. Waiting lists will be maintained for both trips. There is always the possibility of space opening due to illness or injury.

### Cancellations

Minimum cancellation penalty is \$100. Cancellation requests must be in writing and will take effect the date they are received by the trip leader. Penalties vary from trip to trip. Anyone who cancels from a trip will be assessed penalties as per our contract with the vendor. Whatever the club loses, the person who cancels will lose plus the \$100 cancellation penalty. However, the penalty will not exceed the total cost of the trip.

Refunds will not be issued until after the final accounting of the trip.

The Trip Committee strongly suggests participants purchase Trip Insurance. The price for trip insurance runs approximately 7% of the trip cost. Sources for Trip Insurance policies will be provided to registrants by the trip leader.
