Sunday-Thursday night lodging
4 days on the slopes

A classic North American resort, Mont Tremblant is like skiing the Alps, but without air flight hassles. This is a “drive-to” trip, but the well-maintained Northway and major Canadian highways make for a safe & easy 400 mile drive through gorgeous scenery.

Eastern skiing at its best!

The pedestrian village of Mont Tremblant showcases the charms of French Quebec, with unique dining & shopping. Our ski-in/ski-out lodging is just a couple minutes from the lifts and walking distance to many delightful restaurants & shops.

Per person pricing (using current exchange rate, could vary slightly), includes one group dinner
