14 Lifts; 95 runs; 654 acres

Slope ratings: 19% Easy, 37% Intermediate, 44% Difficult

Travel

About 400 miles via Northway and major Canadian highways.

Entering Canada

Bring your Passport or Enhanced Drivers License (*not Regular or REAL ID license*) as proof of U.S. citizenship (or U.S. Permanent Resident Card, if that is your status). Assume that Canada may have a Covid vaccination/testing requirement. Be aware that a DUI (or other criminal conviction) within the past 5-10 years will prohibit you from entering Canada.

Driving in Canada

U.S. Drivers Licenses are accepted (any NY license). Most NY Auto Insurance is adequate, but check with your agent if unsure.

Parking

Once at our village lodge, you won't need your car. Parking in the lodge's garage is \$16/day, not included in trip pricing. Free overnight parking in remote outdoor lots may require a shuttle bus to the slope-side village.

Trip Payment Schedule

Minimum of 50% of amount due with registration form. Final payment due January 4, 2023.

Any cancellations must be in writing and will have a \$100 minimum cancellation fee.

Cancellation fees will cover all non-refundable payments by HVSC, so, later cancellations will incur higher penalties. Trip Cancellation Insurance is recommended.
