

# January 11-15, 2027

Easy to get to in southern Vermont, Stratton has a gondola & 9 chairlifts with 99 trails on a 2,003' vertical.

## 3- or 4-nights at the Long Trail House

- 1, 2, 3 Bedroom Condos
- Short walk to Lifts and Village
- Outdoor Pool & 3 Hot Tubs
- Indoor heated parking garage

Condos are individually owned and furnished, so there are various bed configurations. Many bedrooms have only one bed. There is limited availability of 1- and 3-bedroom units. Finding your own roommates and condo-mates and signing up early will give the best choice of bed configurations.
